

Customer Journey Map

Date: 30 September 2026
Team ID: SWTID-2026-3656
Project Name: EduGenie – Google Gemini Powered Learning Assistant
Maximum Marks: 5 Marks

Stage	User Action	Need / Emotion	System Touchpoint	Opportunity
Discover	Opens EduGenie	Wants one study workspace	Animated homepage	Explain five features clearly
Choose	Selects a learning card	Needs a focused task	Feature cards and quick prompts	Make inputs obvious
Submit	Enters form data	Expects a useful response	POST feature endpoint	Validate empty input
Wait	Sees loading state	Wants reassurance	Animated thinking state	Disable duplicate submissions
Learn	Reads result	Needs clarity and structure	Result panel	Format quiz and text safely
Continue	Chooses next study action	Wants momentum	Quick prompts and learning path	Encourage the next feature

The journey is designed to move from question → explanation → practice → next learning step.
